

Confirmation of Payee - Opt-out/in request form

Opting out of Confirmation of Payee

All eligible customers have been automatically opted into Confirmation of Payee (CoP). It's designed to help protect you against fraud and payments going to the wrong account, by checking the name on the destination account.

Confirmation of Payee is there to help keep your money safe, we will only agree to opt-out requests in very limited circumstances. If we do agree, it means that your account name will not be checked when another person or business tries to make a payment to your account.

You'll still be able to use it when you send a payment to another account.
